The Islamic Development Bank is a multilateral development bank, working to improve the lives of those it serves by promoting social and economic development in Member countries and Muslim communities worldwide, delivering impact at scale. ISDB provides the infrastructure to enable people to lead better lives and achieve their full potential. In its missions IDB: (i) believes all people have the right to live in dignity and prosperity, and that nurturing economic growth is the best route out of poverty; (ii) equips people to drive their own economic and social progress at scale, putting the infrastructure in place to enable them to fulfil their potential; (iii) builds collaborative partnerships between communities and nations, across the public and private sectors; (iv) fosters innovative and sustainable solutions to the world's greatest development challenges, as it works towards the UN Sustainable Development Goals.

The Food and Agriculture Organization (FAO) is a specialized agency of the United Nations that leads international efforts to defeat hunger. Our goal is to achieve food security for all and make sure that people have regular access to enough high-quality food to lead active, healthy lives. With 195 members - 194 countries and the European Union, FAO works in over 130 countries worldwide.

The International Center for Agricultural Research in the Dry Areas (ICARDA) is an international organization undertaking research-for-development since its establishment in 1975. ICARDA provides innovative, science-based solutions for communities across the non-tropical dry areas. In partnership with research institutions, NGOs, governments, and the private sector, ICARDA's work advances scientific knowledge, shapes practices, and informs policy.

Since 1974, SIPCAM Inagra formulates phytosanitary products, both chemical and biological, as well as biostimulants and special fertilizers for the protection and improvement of the quality of crops. The Tunisian partners: Agriprotec, Atlas Agricole, Promochimie and Société El Khadra, distribute these products with the flag of quality by maintaining commercial relations based on honesty and trust.
